

## Community Meeting Notice: Place Making Workshops

### BACKGROUND

A consortium led by Brook McIlroy Planning + Urban Design | Pace Architects (BMI/Pace) has been retained by the City of Mississauga to provide consulting services to the *Lakeview and Port Credit District Policies Review - Public Engagement Process*.

Previous community meetings included:

- November 22, 2007 - Kick-Off Meeting
- December 10, 2007 - Lakeview Visioning Session
- December 11, 2007 - Port Credit Visioning Session

For information on the results of the meetings, please visit the web site noted below. Also available on the web page is the questionnaire that was distributed at the visioning sessions. Submissions for the questionnaire will be accepted until February 15, 2008. A discussion forum is also on-line and focuses on four topics: Health and the Environment, Community, Land Use, and Transit and Transportation.

### PLACE MAKING WORKSHOPS

Two upcoming Place Making Workshops are planned. A Lakeview workshop is scheduled for Wednesday, January 30, 2008 and a Port Credit workshop is scheduled for Wednesday, February 6, 2008. If you would like to attend any of the Place Making Workshops, please contact the City Planners indicated below.

The general purpose of the Place Making Workshops is to create discussion and receive input from the community with regards to specific locations within each district. Emerging ideas related to community character, new development and the quality of public spaces will be tested on a site specific basis.

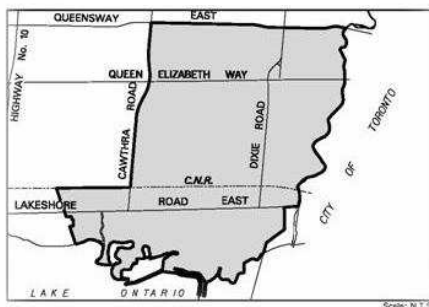

The place making exercises will be designed to address the following concepts, including, but not limited to:

- Building heights and height transitions
- Building setbacks and stepbacks
- Appropriate locations for various land use and built form types
- Community preferences for architectural styles and materials
- Community preferences for streetscapes
- Land use adjacencies
- Parking

The Lakeview Place Making Workshop will focus on three areas: (1) industrial lands on the south side of Lakeshore Road E, between East Avenue and Fergus Avenue, (2) Inglis site at 501 Lakeshore Road E, and (3) sites along the Lakeshore Road corridor.

The Port Credit Place Making Workshop will look at the following three areas: (1) Texaco lands located on the south side of Lakeshore Road W and the west side of Mississauga Road S, (2) Marina Harbour Lands, Port Street and the No Frills site, and (3) sites along the Lakeshore Road corridor.
