

V. Policies Awaiting Final Approval

(Last Updated: March 13, 2019)

Mississauga Official Plan (MOP) is in effect, with the exception of the appealed policies and policies pending Region of Peel approval.

Policies Appealed to Local Planning Appeal Tribunal (LPAT)

A list of all city wide and site specific appeals to MOP and the relevant in effect policies are shown in Table I: Appealed to LPAT & In Effect Policies and are indicated in the body of the Plan as follows:

- policies that have been appealed city wide or amendments appealed in its entirety are noted with orange highlighting; and
- policies appealed that are site specific are underlined in red.

Outstanding original appeals are noted in the table in this section with the letter “A” before the appeal number. For these appeals, the relevant policies in Mississauga Plan (2003) will remain in effect. Until all appeals are resolved, both official plans will need to be referred to since they are both partially in effect. Once all matters have been decided, Mississauga Plan will no longer apply.

Policies affected by outstanding MOPA appeals are also listed in the table in this section and are shown with the letters “MOPA” before the appeal number. For these appeals, the preceding MOP policy will remain in effect. These policies can be found on the City’s official plan policy page www.mississauga.ca/mississaugaofficialplans.

For map references to site specific appeals, see maps in Section IV “Appeals”.

Policies Requiring Region of Peel Approval:

A list of all policies requiring regional approval and the relevant in effect policies are shown in Table II: Regional Approval Pending & In Effect Policies and are indicated in the body of the Plan as follows:

- policies that require Region of Peel approval are underlined in green.

Disclaimer: For the policies under appeal, the policies in the Mississauga Official Plan or Mississauga Plan (2003) remain in effect, the latter if the appeal is to MOP and the former if the appeal is to a MOPA. For the policies requiring Region of Peel approval, the policies in the Mississauga Official Plan remain in effect. The policies in effect as set out in the tables below are based on the Mississauga City Planning Strategies Division’s interpretation and are intended as a guide only. Anyone reading and relying on this version should review the relevant official plan documents to satisfy how the policies in the document(s) relate to any proposed development and site. The information in these tables should not be relied upon as a substitute for specialized legal or professional advice in connection with any particular matter.

The information in these tables is subject to change. Last update effective March 13, 2019.
