A by-law to Adopt Mississauga Official Plan Amendment No. 49

Amendment No. 49

to

Mississauga Official Plan

The following text attached constitutes Amendment No. 49.

Also attached but not constituting part of the Amendment are Appendices I and II.

Appendix I is a description of the Public Meeting held in connection with this Amendment.

Appendix II is a copy of the Council report dated May 16, 2016, pertaining to this Amendment.

PURPOSE

The purpose of this Amendment is to add a special site policy to permit the redevelopment of this parcel for detached dwellings on lots with smaller than averages frontages and areas.

LOCATION

The lands affected by this Amendment are located on the west side of Alexandra Avenue, east of Seventh Street and north of Atwater Avenue. The subject lands are located in the Lakeview Neighbourhood Character Area, as identified in Mississauga Official Plan.

BASIS

Mississauga Official Plan came into effect on November 14, 2012, save and except for those policies and land use designations which have been appealed to the Ontario Municipal Board.

The subject lands are designated Residential Low Density II which permits detached, semi-detached, duplex, triplex and street townhouse dwellings. The lands are subject to a policy requiring that the average lot frontage and lot area of new lots reflect the size of existing lots within 120 m of the subject property in order to protect the character of lands designated Residential Low Density I and II.

OPA 34 which came into force on July 8, 2015, added a special site policy to allow the subject lands to develop with smaller lot frontages and lot areas than surrounding existing lots. OPA 32 known as the Lakeview Local Area Plan, came into force on October 14, 2015 and did not include the special site policies from OPA 34 for the subject site. The proposed amendment would add the special site policies for the subject site to the Lakeview Local Area Plan.

The proposed amendment is acceptable from a planning standpoint and should be approved for the following reasons:

- 1. The proposed development is compatible with the surrounding land uses and is designed in a manner that provides appropriate built form transition and setbacks to the existing land uses.
- 2. The proposed development will incorporate the extension of Seventh Street as a public road and will continue the development pattern existing on Seventh Street.

DETAILS OF THE AMENDMENT AND POLICIES RELATIVE THERETO

Section 13.1, Special Site Policies, Lakeview Local Area Plan of Mississauga Official Plan, is hereby amended by adding the following:

13.1.14 Site 14

13.1.14.1 The lands identified as Special Site 14 are located on the west side of Alexandra Avenue, east of Seventh Street and north of Atwater Avenue.

13.1.14.2 Notwithstanding the policies of this Plan, the minimum frontage and area of new lots may be smaller than the average lot frontage and lot area of residential lots on both sides of the same street within 120 m of the subject property.

IMPLEMENTATION

Upon the approval of this Amendment by the Council of the Corporation of the City of Mississauga, Mississauga Official Plan will be amended in accordance with this Amendment.

The lands will be rezoned to implement this Amendment.

This Amendment has been prepared based on the Office Consolidation of Mississauga Official Plan dated March 11, 2016.

INTERPRETATION

The provisions of Mississauga Official Plan, as amended from time to time regarding the interpretation of that Plan, will apply in regard to this Amendment.

This Amendment supplements the intent and policies of Mississauga Official Plan.

On March 9, 2015 Dr. Geoff Edwards withdrew the appeals; however, OPA 1 could not come into force because it sought to amendment the "old" Port Credit Local Area Plan which was no longer in force. ZBL 0031-2014 also never came into force because it was dependent	on OPA 1 coming into force. OPA 1 included special site policies that addressed drive-through facilities and the number and height of residential units for the subject site. OPA 19 known as the Port Credit Local Area Plan was adopted by Council on March 5, 2014. On March 31, 2014 Dr. Geoff Edwards appealed OPA 19 in its entirety and then on November 6, 2014 scooped his appeal to the subject site. On February 27, 2015 Dr. Geoff Edwards withdrew his appeal allowing OPA 19 to come into force for the subject site. OPA 19 did not include the special site policies from OPA 1 that addressed the number and height of residential units for the subject site.
