

# Policies under Appeal

There are two types of appeals to Mississauga Official Plan (MOP). The first are appeals in response to the Region of Peel Notice of Decision dated October 5, 2011 to approve MOP. These are Mississauga Official Plan Appeals numbered 1 through 19, listed in the section titled “Original Appeals”. Remaining appeals are noted in Table 1 below with the letter “A” before the appeal number.

The second type of appeal is an appeal of an amendment to the Plan, or a Mississauga Official Plan Amendment (MOPA) appeal. Policies affected by outstanding MOPA appeals are listed in the section titled “Amendments and Appeals”.

The appealed policies are shown in Table 1 below with the letters “MOPA” before the appeal number.

The following table lists Mississauga Official Plan policies under appeal. Appeals to MOP are indicated in the body of MOP as follows:

- policies that have been appealed city wide are noted with orange highlighting; and
- policies appealed that are site specific are underlined in red.

The location of site specific appeals are shown on Map 1, following the below table.
