

The City of Mississauga is sponsoring a student poster competition for the 2010 Mississauga Urban Design Awards. The Mississauga Urban Design Awards is an annual competition that pays tribute to projects that best exemplify the City's design principles and their ongoing work to promote excellence in urban design. This year the City is celebrating its 29th year.

The 2010 awards ceremony will be held in November of this year. The 2010 Poster Competition for this year's awards is an opportunity for you to demonstrate your understanding of ***Green Urban Design*** and how this fits in with the City's Strategic Plan "Our Future Mississauga" and the City's overall goals and objectives.

All poster submissions will be displayed on the City of Mississauga's website. The winning poster will be highlighted on the City's website and displayed in hard copy form throughout city facilities as the symbol of the 2010 Mississauga Urban Design Awards. In addition the winning poster will be used for the awards program *Invitation Notice*, as well as *the Jury Report* that is published after the Awards.

The deadline for poster submissions is **4:00 pm, Monday May 10, 2010**. Judging for the poster will take place on Thursday May 13, 2010 and the winner will be posted on the City's website at the end of May.
