TERM	DEFINITION
<b>A</b> continued from previous page	
<b>Aisle</b>	means an internal roadway immediately adjacent to a <b>parking</b> or <b>loading space</b> which provides vehicular access to and from the <b>parking</b> or <b>loading space</b> , and is not a <b>driveway</b> .
<b>Amenity Area</b>	means an indoor and/or outdoor recreational area provided for the communal use of the residents. <i>(0181-2018/LPAT Order 2019 February 15, 2019 September 11)</i>
<b>Amusement Arcade</b>	means a <b>building, structure</b> or part thereof that is open to the public and contains more than two <b>amusement devices</b> as defined in the City's Licensing By-law for <b>use</b> by the public, but shall not include premises in which more than two <b>amusement devices</b> are being operated for a period of 14 days or less as a special fund raising event by or on behalf of a bona fide charitable organization.
<b>Amusement Device</b>	means a machine which through pin balls, electronic impulses or any other means provides a game or in any other manner amuses the user for a fee, but shall not include mechanical rides which are provided primarily for the amusement of children.
<b>Animal Boarding Establishment</b>	means a <b>building, structure</b> or part thereof, where dogs and cats and other domesticated animals, excluding livestock, are bred, raised, groomed, trained or kept for a fee on a temporary basis and may include outdoor facilities.
<b>Animal Care Establishment</b>	means a <b>building, structure</b> or part thereof, where dogs and cats and other domesticated animals, excluding livestock, are groomed and/or kept for a fee on a daily basis excluding overnight boarding and outdoor facilities.
<b>Attached Side</b>	means the side of a <b>dwelling unit</b> that is attached, in whole or in part, to the side of another <b>dwelling unit</b> .
<b>Attic</b>	means the uninhabitable portion of a <b>building</b> or <b>structure</b> which is immediately below the roof and wholly or partially within the roof framing.  See Illustration No. 9 - Section 1.3 - Illustrations
<b>B</b>	
<b>Balcony</b>	means a platform having at least one side open that may be covered by either a roof or another balcony and shall have no direct access to the ground.
<b>Bank</b>	(*see <b>Financial Institution</b> )
<b>Banquet Hall/ Conference Centre/ Convention Centre</b>	means a <b>building, structure</b> or part thereof, used for the purposes of catering to a group of people for specific functions, such as, but not limited to, weddings, receptions and banquets and where full kitchen facilities may be provided on the premises to serve the needs of people attending the specific function.
<b>Basement</b>	means that portion of a <b>building</b> between two floor levels which is partially below <b>established grade</b> . Any portion of the <b>building</b> partly below grade shall be deemed to be a basement when the underside of the floor <b>structure</b> of the floor immediately above <b>established grade</b> is less than 1.8 m above the <b>established grade</b> . <i>(0325-2008)</i>

**B** continued on next page

TERM	DEFINITION
<b>B</b> continued from previous page	
<b>Beverage/Food Preparation Establishment</b>	means a <b>building, structure</b> or part thereof, where persons can make and package beer, wine and/or food for their personal consumption off the premises only, and may include the sale of raw material ingredients and related equipment to such persons.
<b>Block</b>	means all land fronting on one (1) side of a <b>street</b> between the nearest <b>streets</b> , intersecting, meeting or crossing said <b>street</b> .
<b>Block on a Registered Plan</b>	means a parcel of land that is identified on the registered plan by the word " <b>Block</b> " followed by either a letter, (a, b, c), or number, (1, 2, 3), as the case may be.
<b>Body-Rub Establishment</b>	means a <b>building, structure</b> or part thereof, where a body-rub is performed, offered, or solicited in pursuant to a trade, calling, business or occupation, but shall not include any premises or parts thereof, where massages for the purpose of medical or therapeutic treatment are performed or offered by persons licensed or registered by the Province of Ontario.
<b>Breezeway</b>	means a roofed, unenclosed passageway connecting a dwelling and a <b>garage</b> .
<b>Broadcasting/Communication Facility</b>	means a <b>building, structure</b> or part thereof, used for broadcasting purposes including transmitting and receiving devices.
<b>Build-to-area</b>	means the area of the <b>lot</b> where a <b>streetwall</b> of a <b>building</b> or <b>structure</b> shall be located.
<b>Build-to-line</b>	means a setback at which a <b>streetwall</b> of a <b>building, structure</b> or part thereof, shall be located. (0275-2012)
<b>Building</b>	means a <b>structure</b> occupying an area greater than 10 m <sup>2</sup> consisting of a wall, roof and floor.
<b>C</b>	
<b>Cardlock Fuel Dispensing Facility</b>	(*see <b>Truck Fuel Dispensing Facility</b> ) (0297-2013)
<b>Carport</b>	means an <b>accessory building, structure</b> or part thereof, the perimeter of which is more than forty percent (40%) unenclosed and which is used for the parking of <b>motor vehicles</b> .
<b>Cemetery</b>	means land used or intended to be used for the interment of human remains and may include accessory thereto a <b>crematorium, mausoleum</b> and a <b>columbarium</b> . (0308-2011)
<b>Chimney</b>	means a primarily vertical shaft enclosing at least one (1) flue for conducting flue gases from a fireplace or furnace to the outdoors and shall be inclusive of the firebox, smoke chamber and the exterior area which encloses the fireplace and flue.  See Illustration No. 1 - Section 1.3 - Illustrations
<b>Circular Driveway</b>	(*see <b>Driveway</b> )
<b>Cogeneration</b>	(*see <b>Power Generating Facility</b> )
<b>Cogeneration Facility</b>	(*see <b>Power Generating Facility</b> )

**C** continued on next page

TERM	DEFINITION
<b>C</b> continued from previous page	
<b>Columbarium</b>	means a <b>structure</b> designed for the purpose of interring cremated human remains in sealed compartments.
<b>Combined Cycle</b>	(*see <b>Power Generating Facility</b> )
<b>Commercial Motor Vehicle</b>	(*see <b>Motor Vehicle</b> ) (0325-2008)
<b>Commercial School</b>	(*see Schools)
Common Element Condominium (CEC): (0297-2013)	
<b>Common Element</b>	means an area forming part of the common elements of a common element condominium corporation, that may include <b>CEC - roads</b> , walkways, sidewalks, parking and/or <b>CEC - amenity areas</b> . (0297-2013), (0181-2018/LPAT Order 2019 February 15)
<b>CEC - Amenity Area</b>	means an area forming part of the <b>common elements</b> of a common element condominium corporation comprised of outdoor space designed for <b>active</b> or <b>passive recreational uses</b> , such as, but not limited to, children's <b>play equipment</b> , seating areas and sport facilities. (0297-2013)
<b>CEC - Road</b>	means a private right-of-way, for vehicular travel over <b>common elements</b> that are maintained by a common element condominium corporation. (0297-2013), (0181-2018/LPAT Order 2019 February 15)
<b>CEC - Front Lot Line</b>	means a line that divides a <b>lot</b> from a <b>CEC - road</b> . (0181-2018/LPAT Order 2019 February 15)
<b>CEC - Corner Lot</b>	means a <b>lot</b> situated at the intersection of two or more <b>CEC - roads</b> and/or <b>streets</b> having an angle of intersection of not more than 135E. (0181-2018/LPAT Order 2019 February 15)
<b>Common Wall</b>	(*see Wall)
<b>Community Athletic Field</b>	means an outdoor area operated on or behalf of a <b>public authority</b> for the provision of athletic and leisure activities.
<b>Community Centre</b>	means a <b>building, structure</b> or part thereof, operated by or on behalf of a <b>public authority</b> for the provision of community activities, such as, but not limited to, recreation, arts, crafts, museums, social and charitable activities.
<b>Community Garden</b>	means an outdoor space used to grow and care for vegetables, flowers and/or annual plantings for personal consumption or non-commercial purposes excluding trees, shrubs or permanent landscaping features.
<b>Composting Facility</b>	means a <b>building, structure</b> or part thereof, used for the composting of food <b>waste</b> and organic materials and may include a disposal distribution facility.
<b>Condominium Road</b>	(*see Road)
<b>Conference/Convention Centre</b>	(*see <b>Banquet Hall/Conference Centre/Convention Centre</b> )
<b>Conservation Authority</b>	means The Halton Region Conservation Authority, Credit Valley Conservation and/or Toronto and Region Conservation Authority.
<b>Conservation Use</b>	means land that is used to preserve, protect and/or improve components of the natural heritage system.
<b>Convenience Restaurant</b>	(*see <b>Restaurants</b> )

**C** continued on next page

TERM	DEFINITION
<b>C</b> continued from previous page	
<b>Convenience Retail and Service Kiosk</b>	means a <b>building, structure</b> or part thereof, accessory to a <b>motor vehicle service station</b> , a <b>gas bar</b> , a <b>motor vehicle wash facility - commercial motor vehicle</b> or a <b>motor vehicle wash facility - restricted</b> , with a maximum <b>gross floor area</b> of 300 m <sup>2</sup> , and where goods may be stored or offered for sale, and may include as accessory thereto a banking machine and/or a <b>take-out restaurant</b> with or without a drive-through, excluding seating, and not exceeding a <b>gross floor area</b> of 30 m <sup>2</sup> . (0325-2008), (0379-2009), (0018-2015)
Cooksville Creek:	
<b>Cooksville Creek - Flood Fringe Area</b>	means the lands in the outer portion of the flood plain between the floodway area and the flooding hazard limit as delimited by Credit Valley Conservation.
<b>Cooksville Creek - Floodway Area</b>	means the portion of the flood plain that is required for the safe passage of flood water as delimited by Credit Valley Conservation.
<b>Cooksville Creek - Regulatory Flood Level</b>	means the elevation of the regulatory flood.
<b>Cooksville Creek - Regulatory Flood</b>	means the inundation of areas adjacent to a river or stream system, not ordinarily covered by water as delimited by Credit Valley Conservation.
<b>Cooksville Creek - Habitable Floor Space</b>	means a room commonly used for living purposes, including a bedroom, kitchen, washroom, lobby, hallway and closet.
<b>Council</b>	means the Council of The Corporation of the City of Mississauga.
<b>Crematorium</b>	means a <b>building, structure</b> or part thereof used for the purposes of the cremation of human remains.
<b>Custom Workshop</b>	means a <b>building, structure</b> or part thereof used for producing or making custom-made goods, arts or crafts, in limited quantities, and may include accessory display and sales of the custom-made goods, arts or crafts made on the premises. (LPAT Order 2019 November 15)
<b>D</b>	
<b>Day Care</b>	means a <b>building, structure</b> or part thereof, with or without an outdoor play area, used for temporary care which does not exceed 12 consecutive hours in one day, of more than five persons. Care may be provided for children, seniors and/or disabled persons.
<b>Deck</b>	means a platform, with at least one side open, with or without a foundation, and with direct access to the ground.
<b>Density</b>	means the ratio of <b>dwelling units</b> to a specified area measurement.
<b>Dentist</b>	means a person authorized to practise dentistry under the <i>Dentistry Act</i> , 1991, S.O.1991, c.24, as amended.
<b>Driveway</b>	means an internal roadway, that is not a <b>street, private road, CEC - road, condominium road</b> or lane, which provides vehicular access from a <b>street, private road, CEC - road, condominium road</b> or lane to <b>parking</b> or <b>loading spaces</b> . (0181-2018/LPAT Order 2019 February 15)
<b>Circular Driveway</b>	means a <b>driveway</b> having two access points from a <b>street</b> .
<b>Pervious Stable Surface Driveway</b>	(*see <b>Pervious Material</b> ) (0190-2014), (0212-2015)

**D** continued on next page

TERM	DEFINITION
<b>D</b> continued from previous page	
<b>Drugless Practitioner</b>	means a person authorized to practise as a drugless practitioner under the <i>Drugless Practitioners Act</i> , R.S.O. 1990, c.D.18, as amended.
<b>Dwelling Unit</b>	(*see Housing Types)
<b>Dwelling Unit Depth</b>	means the depth measured from the outside of the <b>front wall</b> to the outside of the rear wall inclusive of an attached <b>garage</b> but exclusive of any <b>structures</b> below the <b>first storey</b> in the <b>front</b> or <b>rear yard(s)</b> . (0325-2008), (0379-2009)
<b>Dwelling Unit Width</b>	means the width measured from the midpoint of <b>common walls</b> and/or the exterior of the outside walls inclusive of attached <b>garage</b> .
<b>E</b>	
<b>Education and Training Facility</b>	means a <b>building, structure</b> or part thereof, where specialized instruction is provided for a particular skill or profession and may include a <b>science and technology facility</b> .
<b>Electric Transformer and Distribution Facility</b>	means a <b>building, structure</b> or part thereof, used only for transmitting or distributing electricity and includes any <b>buildings, structures</b> , or other equipment used for such purpose.
<b>Enclosed Pedestrian Mall</b>	means the common area within an enclosed retail centre used by the public for pedestrian travel between establishments. (0379-2009)
<b>Entertainment Establishment</b>	means a <b>building, structure</b> or part thereof, designed and equipped to be used for the provision of entertainment or amusement without the necessity of active participation by the user and may include, a movie theatre, playhouse, dinner theatre, stadium or auditorium.
<b>Environmental Technical Studies</b>	means scientific reports that are completed to the satisfaction of the City and <b>Conservation Authority</b> having jurisdiction, which include, but are not limited to, geotechnical, flood, erosion, slope stability and meanderbelt studies.
<b>Erect</b>	means build, construct, reconstruct, alter and/or relocate a <b>building, structure</b> or part thereof and shall include any preliminary physical operation such as excavating, piling, cribbing, filling or draining, structurally altering any <b>existing building</b> or <b>structure</b> by an addition, deletion, enlargement or extension.
<b>Erosion Management</b>	means erosion protection or control works and slope or shoreline stabilization works, approved by a <b>Conservation Authority</b> , to prevent or mitigate erosion hazards.
<b>Essential Emergency Service</b>	means fire, emergency, police and ambulance facilities and distress centre.
<b>Existing</b>	means in existence on the date of passing of this By-law.
<b>F</b>	
<b>Fairground</b>	means an outdoor area used for community events and other recreational activities and may have a <b>building, structure</b> , mechanical or self-propelled rides and/or concessions for games and retail sales. (0085-2018)
<b>Financial Institution</b>	means a <b>building, structure</b> or part thereof, which provides financial services where money is deposited, kept, lent or exchanged, and shall include a bank, trust company, credit union, money lending agency or other similar banking service and may also include a banking machine attached to the outside of a wall. (0308-2011)

**F** continued on next page

TERM	DEFINITION
<b>F</b> continued from previous page	
<b>Flat Roof</b>	(*see Roof)
<b>Flood Control</b>	means works approved by a <b>Conservation Authority</b> that are undertaken to prevent or mitigate flooding hazards.
<b>Floor Area</b>	means the area of a <b>building, structure</b> or part thereof measured from the exterior of outside walls, or from the midpoint of <b>common walls</b> .
<b>Floor Space Index (FSI)</b>	means the ratio of the <b>gross floor area</b> of all <b>buildings</b> and <b>structures</b> to the <b>lot area</b> .
<b>Floor Space Index (FSI) - Apartment Zone</b>	means the ratio of the <b>gross floor area - apartment zone</b> of all <b>buildings</b> and <b>structures</b> to the <b>lot area</b> . (0174-2017)
<b>Floor Space Index (FSI) - Non-Residential</b>	means the ratio of the <b>gross floor area - non-residential</b> of all <b>buildings</b> and <b>structures</b> to the <b>lot area</b> .
<b>Food Bank</b>	means a not-for-profit facility where food and/or other goods are collected and distributed to individuals and/or groups. (0325-2008)
<b>Food Court</b>	means a communal seating area for more than one <b>take-out restaurant</b> in an <b>enclosed pedestrian mall</b> , but does not include the <b>gross floor area - non-residential</b> of the <b>take-out restaurants</b> . (0174-2017)
<b>Frontage</b>	(*see <b>Lot Frontage</b> )
<b>Front Garage Face</b>	(*see <b>Garage Face</b> )
<b>Funeral Establishment</b>	means a <b>building, structure</b> or part thereof, where funeral supplies and services are offered for sale or provided by a Provincially licensed operator of a funeral establishment or Provincially licensed operator of a transfer service, or an agent or employee thereof, including the preparation of human remains for interment or cremation and may include facilities, such as viewing rooms and a chapel, excluding the cremation of human remains.
<b>G</b>	
<b>Garage</b>	means a <b>building, structure</b> or part thereof, including a <b>carport</b> , used for the parking of <b>motor vehicles</b> having adequate access to a <b>driveway</b> .
<b>Garage Face</b>	means the face of the <b>garage</b> that is designed as the primary vehicular access point into the <b>garage</b> . (0181-2018/LPAT Order 2019 February 15)
<b>Garden Centre</b>	means a <b>building, structure</b> or part thereof, where plants, nursery stock, flowers, garden supplies and ornaments, hardware and crafts and pottery related to the garden centre are stored or kept for sale, and may include an outdoor display and sales area.
<b>Gas Bar</b>	means a <b>building, structure</b> , area or part thereof, where fuel for <b>motor vehicles</b> is dispensed and may include accessory thereto a <b>convenience retail and service kiosk</b> and the sale of <b>propane cylinders</b> .
<b>Gazebo</b>	(0379-2009), deleted by 0112-2019
<b>Golf Course</b>	means a public or private area operated for the purpose of playing golf and may include <b>accessory uses</b> , including a clubhouse, <b>office</b> , pro shop, <b>restaurant</b> , banquet facilities and lounge, driving range, pitch and putt, putting green, miniature golf course, and maintenance <b>building</b> .

Grade:	
<p><b>Average Grade</b></p> <p><b>Context Grade</b></p> <p><b>Established Grade</b></p>	<p>means with reference to a <b>detached, semi-detached, duplex or triplex</b>, the average of eight grade elevations, six of which are taken along the side <b>lot lines</b> of a <b>lot</b> and two of which are taken at the centreline of the <b>street</b> on which the <b>lot</b> has frontage. The first two grade elevations shall be taken at the points of intersection of the <b>front lot line</b> and each side <b>lot line</b>. The second two grade elevations shall be taken along each side property line at the minimum <b>front yard</b> setback requirement of the zone in which the property is located. The third two grade elevations shall be taken along each side property line at a distance of 15.0 m back from where the second two grade elevations were measured. The last two grade elevations shall be taken at the points of intersection of the <b>street</b> centerline and the projections of the side <b>lot lines</b>. (0174-2017)</p> <p>means, with reference to a <b>townhouse, back to back townhouse or stacked townhouse</b>, the average of 12 grade points, eight of which are taken around the perimeter of the site and four of which are based on the location of the proposed <b>building(s)</b>:</p> <ol style="list-style-type: none"> <li>(1) two points at the centreline of the <b>street</b> extending from the side property lines;</li> <li>(2) two points located 10 cm outside the subject site from where the side property lines meet the front property line;</li> <li>(3) two points located 10 cm outside the subject site at the midpoint of the side property lines;</li> <li>(4) two points located 10 cm outside the subject site, measured out from the side property lines, from where the side and rear property lines meet;</li> <li>(5) four points located at the corners of the proposed <b>building</b>, taken at 6.4 m distance on a diagonal from the exterior corners of each proposed <b>building</b>. (0181-2018/LPAT Order 2019 February 15)</li> </ol> <p>means, with reference to a <b>building, structure</b> or part thereof, the average elevation of the finished grade of the ground immediately surrounding such <b>building</b> or <b>structure</b>, and when used with reference to a <b>street</b>, means the elevation of the <b>street</b>, established by the Municipality or other designated authority. (0308-2011)</p>
<b>Greenlands Overlay</b>	means an illustrative representation of lands which may be subject to additional development regulations or approval requirements which may supersede or add to the development regulations of the underlying zone.
<p><b>Gross Floor Area (GFA)</b></p> <p><b>Gross Floor Area (GFA) - Apartment Zone</b></p>	<p>means the sum of the areas of each <b>storey</b> of a <b>building, structure</b> or part thereof, above or below <b>established grade</b>, excluding storage below <b>established grade</b> and a <b>parking structure</b> above or below <b>established grade</b>, measured from the exterior of outside walls, or from the midpoint of <b>common walls</b>.</p> <p>means the sum of the areas of each <b>storey</b> of a <b>building</b> above or below <b>established grade</b>, measured from the exterior of outside walls of the <b>building</b> including floor area occupied by interior walls but excluding any part of the <b>building</b> used for <b>mechanical floor area</b>, stairwells, elevators, <b>motor vehicle</b> parking, bicycle parking, storage lockers, below-grade storage, any enclosed area used for the collection or storage of disposable or recyclable <b>waste</b> generated within the <b>building</b>, common facilities for the use of the residents of the <b>building</b>, a <b>day care</b> and <b>amenity area</b>. (0174-2017)</p>

TERM	DEFINITION
<b>H</b> continued from previous page	
<b>Retirement Building</b>	means a <b>building</b> or part thereof, containing <b>retirement dwelling units</b> where common facilities are provided for the preparation and consumption of food and where housekeeping services and on-site medical services are provided, as required. A retirement building may contain accessory <b>personal service establishment</b> , retail and recreational <b>uses</b> for the residents. (0174-2017)
<b>Retirement Dwelling Unit</b>	means one or more <b>habitable rooms</b> in a <b>retirement building</b> , designed or intended for the lodging of not more than two persons, with a separate entrance from a common hall, in which separate sanitary facilities are provided. A retirement dwelling unit may contain limited culinary facilities but shall not include a stove top and/or oven. (0174-2017)
<b>Second Unit</b>	means an accessory <b>dwelling unit</b> with its own kitchen, sanitary facilities and bedroom(s)/sleeping area. (0158-2013)
<b>Semi-Detached</b>	means a <b>building</b> with two attached <b>dwelling units</b> , each on their own <b>lot</b> , that are divided vertically above grade by a <b>party wall</b> at least 5.0 m in length and at least 2.0 m in <b>height</b> . (0174-2017) See Illustration No. 2 - Section 1.3 - Illustrations
<b>Stacked Townhouse</b>	means a <b>building</b> with four or more <b>dwelling units</b> divided horizontally and vertically, each with an entrance that is independent or through a shared landing and/or external stairwell. (0174-2017), (0181-2018/LPAT Order 2019 February 15) See Illustration No. 3 - Section 1.3 - Illustrations
<b>Street Townhouse</b>	means one of more than two attached <b>dwelling units</b> , not exceeding three <b>storeys</b> in <b>height</b> that are divided vertically above grade by a <b>party wall</b> at least 5.0 m in length and at least 2.0 m in <b>height</b> , having frontage on a <b>street</b> . (0181-2018/LPAT Order 2019 February 15)
<b>Townhouse</b>	means a <b>building</b> with three or more attached <b>dwelling units</b> , divided vertically above grade by a <b>party wall</b> at least 5.0 m in length and at least 2.0 m in <b>height</b> , and has a <b>yard</b> abutting at least two exterior walls of each <b>dwelling unit</b> . (0181-2018/LPAT Order 2019 February 15) See Illustration No. 4 - Section 1.3 - Illustrations
<b>Townhouse Dwelling on a CEC - Private Road</b>	<i>deleted by 0181-2018/LPAT Order 2019 February 15</i>
<b>Triplex</b>	means a <b>building</b> that is divided horizontally and/or vertically into three separate <b>dwelling units</b> , each with an entrance that is either independent or through a common vestibule. (0174-2017) See Illustration No. 2 - Section 1.3 - Illustrations
<b>I</b>	
<b>Industrial/Manufacturing Facility</b>	(*see <b>Manufacturing Facility</b> )
<b>Industrial/Manufacturing Facility</b>	means a mixed <b>use, building, structure</b> or part thereof, occupied by more than one occupant, where a minimum of 50% of the <b>building gross floor area (GFA) - non-residential</b> is used for an industrial/manufacturing facility, and the balance of the <b>building gross floor area (GFA) - non-residential</b> may contain other permitted <b>uses</b> .
<b>Internal Road</b>	(*see <b>Road, Condominium Road</b> )

TERM	DEFINITION
<b>J</b>	
<b>K</b>	
<b>L</b>	
<b>Landscaped Area</b>	means any outdoor area on a <b>lot</b> , located at grade, including the <b>landscaped buffer</b> , that is suitable for the growth and maintenance of grass, flowers, shrubs, trees and other vegetation, as well as other landscape features, and may include walkways, berms, retaining walls and outdoor <b>amenity areas</b> , but shall not include, <b>driveways, aisles, ramps or condominium roads, parking areas</b> whether surfaced or not, curbs, any open space beneath or within any <b>building, structure</b> or part thereof, or any exterior garbage storage or handling area. <i>(0190-2014), (0181-2018/LPAT Order 2019 February 15)</i>
<b>Landscaped Buffer</b>	means a continuous, open, unobstructed width of land substantially parallel to and adjoining a <b>lot line</b> that is intended for the growth and maintenance of plant material including trees, shrubs and other landscape features such as retaining walls. The landscaped buffer may include signage, utility easement and lighting and may be traversed by a <b>driveway</b> and/or walkway, the angle of which must be at least 60E but no greater than 120E measured from the applicable <b>lot line</b> . <i>(0325-2008)</i>
<b>Landscaped Open Space Area</b>	means the unobstructed space on a <b>lot</b> , located at-grade and/or above-grade atop a <b>building or structure</b> , suitable for the growth and maintenance of grass, flowers, shrubs, trees, and/or decorative paving and other landscape features and may include private and common amenity spaces, patios, walkways, landscaped roof tops and podiums but does not include any vehicular <b>driveway</b> or ramp, whether surfaced or not, any curb, retaining wall, motor vehicular parking area or any open space beneath or within any <b>building or structure</b> .
<b>Landscaped Soft Area</b>	means any outdoor area on a <b>lot</b> , located at grade, that is suitable for the growth and maintenance of grass, flowers, shrubs, trees and other vegetation, and including landscaping materials such as rocks and edging materials, but shall not include hard surfaced areas, such as <b>driveways, aisles, parking areas</b> , interlocking stone, and walkways. <i>(0190-2014), (0212-2015)</i>
<b>Library</b>	means a <b>building, structure</b> or part thereof, operated by or on behalf of a <b>public authority</b> , containing materials in various mediums for study, reference and reading.
<b>Loading Space</b>	means an unobstructed area of land that is accessible by an <b>aisle</b> , that is reserved for the temporary parking of a <b>commercial motor vehicle</b> while loading or unloading.

**L** continued on next page

TERM	DEFINITION
<b>L</b> continued from previous page	
<b>Lodging House</b>	means a <b>dwelling unit</b> containing more than three <b>lodging units</b> each designed or intended for the lodging of persons in return for remuneration. A lodging house shall only be permitted in a <b>detached dwelling</b> and no <b>lodging unit</b> shall be contained in a <b>basement</b> . A maximum of four <b>lodging units</b> shall be permitted within a lodging house and each <b>lodging unit</b> shall be occupied by a maximum of one person. A maximum of 40% of the <b>gross floor area - residential</b> of a lodging house shall contain <b>lodging units</b> . (0080-2009)
<b>Lodging Unit</b>	means a room designed or intended to contain accommodation for sleeping. A lodging unit may contain sanitary facilities but shall not contain equipment or appliances for storing, cooking or heating food and shall not contain equipment or appliances for washing clothes or washing dishes. (0080-2009)
<b>Lot</b>	means an area of land registered at the Land Registry Office as not more than one parcel of land.
<b>Corner Lot</b>	means a <b>lot</b> situated at the intersection of two or more <b>streets, private roads</b> , or any combination thereof, having an angle of intersection of not more than 135°.  See Illustration No. 7 - Section 1.3 - Illustrations
<b>Interior Lot</b>	means a <b>lot</b> other than a <b>corner lot</b> .
<b>Through Lot</b>	means a <b>lot</b> other than a <b>corner lot</b> having a <b>lot line</b> on two <b>streets</b> or two <b>private roads</b> , or any combination thereof. (0379-2009)  See Illustration No. 7 - Section 1.3 - Illustrations
<b>Lot Area</b>	means the total horizontal area within the <b>lot lines</b> of a <b>lot</b> . Where this By-law requires a minimum lot area for a <b>use</b> , such area shall be located within the same zone as the <b>use</b> .
<b>Lot Coverage</b>	means the percentage of the <b>lot area</b> covered by all <b>buildings, structures</b> or parts thereof, at or above <b>average grade</b> or <b>established grade</b> , exclusive of overhanging eaves of 0.45 m or less, and outdoor <b>swimming pools</b> , but inclusive of <b>decks</b> greater than 10 m <sup>2</sup> and higher than 0.61 m above <b>established grade</b> . For <b>lots</b> having two or more zones, lot coverage shall be deemed to apply to only that portion of the <b>lot</b> that is located within each specified zone. (0325-2008)
<b>Lot Depth</b>	means the horizontal distance between the <b>front</b> and <b>rear lot lines</b> . If the <b>front</b> and <b>rear lot lines</b> are not parallel, lot depth means the length of a straight line joining the middle of the <b>front lot line</b> with the middle of the <b>rear lot line</b> . When there is no <b>rear lot line</b> , lot depth means the length of a straight line joining the middle of the <b>front lot line</b> with the apex of the triangle formed by the side <b>lot lines</b> .  See Illustration No. 7 - Section 1.3 - Illustrations
<b>Lot Frontage</b>	means the horizontal distance between the side <b>lot lines</b> and where these lines are not parallel means the distance between the side <b>lot lines</b> measured on a line parallel to and 7.5 m back from the <b>front lot line</b> . (0325-2008)  See Illustration No. 7 - Section 1.3 - Illustrations
<b>Lot Line</b>	means the legally defined limits of a <b>lot</b> .
<b>Front Lot Line</b>	means a <b>lot line</b> that divides a <b>lot</b> from the <b>street</b> or a <b>private road</b> .

**L** continued on next page

TERM	DEFINITION
<b>L</b> continued from previous page	
<b>Front Lot Line - Corner Lot</b>	means the shorter of the two <b>lot lines</b> that divide the <b>lot</b> from the <b>street</b> or a <b>private road</b> .
<b>Front Lot Line - Through Lot</b>	means each <b>lot line</b> that divides the through <b>lot</b> from a <b>street</b> . A <b>lot line</b> with a 0.3 m reserve shall not be a <b>front lot line</b> . (0325-2008), (0297-2013)
<b>Rear Lot Line</b>	means the <b>lot line</b> or point of intersection of the side <b>lot lines</b> farthest from and opposite the <b>front lot line</b> .
<b>Exterior Side Lot Line</b>	means the <b>lot line</b> , other than the <b>front</b> or <b>rear lot line</b> , that divides a <b>corner lot</b> from the <b>street</b> or <b>private road</b> . (0379-2009)
<b>Interior Side Lot Line</b>	means the <b>lot line(s)</b> other than the <b>front</b> , <b>exterior side</b> or <b>rear lot line</b> .
<b>M</b>	
<b>Main Entry Feature</b>	means a platform, with at least one side open, covered by either a roof, <b>balcony</b> or enclosed space that is attached to a dwelling, with or without a foundation, and/or <b>basement</b> .
<b>Main Front Entrance</b>	means the door that is designed as the primary access point into a <b>building, structure</b> or part thereof.
<b>Manufacturing Facility</b>	means a <b>building, structure</b> or part thereof, used for altering, assembling, fabricating, finishing, inspecting, making, processing, producing, treating or repairing, items either by hand or through the <b>use</b> of machinery and may include the temporary on-site storage of <b>commercial motor vehicles</b> (ie. trucks, tractors and/or trailers) for freight handling including the pick-up, delivery and transitory storage of goods incidental to motor freight shipment directly related to the permitted <b>use(s)</b> . (OMB, 2008 November 10)
<b>Marina</b>	means an area providing docking, mooring and launching facilities for boats and personal water craft and where boats and/or boat accessories may be sold, stored, serviced, repaired or constructed and marine fuels are sold.
<b>Mausoleum</b>	means a <b>building, structure</b> or part thereof, used for the interment of human remains in sealed crypts, tombs or vaults.
<b>Mechanical Floor Area</b>	means a room or enclosed area, including its enclosing walls, within a <b>building, structure</b> or part thereof, above or below <b>established grade</b> that is used exclusively for heating, cooling, ventilating, electrical, mechanical (other than escalators) or telecommunications equipment related to the operation and maintenance of the <b>building, structure</b> or part thereof.
<b>Medical Office</b>	(*see <b>Office</b> )
<b>Medical Office - Restricted</b>	(*see <b>Office</b> )

**M** continued on next page

TERM	DEFINITION
<b>M</b> continued from previous page	
<b>Medicinal Product Manufacturing Facility</b>	means a <b>building, structure</b> or part thereof, used for altering, assembling, cultivating, growing, inspecting, processing or producing, medicinal products, and which may use living organisms or parts of living organisms in the manufacturing process and may include medical marihuana, as defined by <i>Marihuana for Medical Purposes Regulations</i> , SOR/2013-119, as amended, and herbal or natural medicines. (0055-2015)
<b>Medicinal Product Manufacturing Facility - Restricted</b>	means a <b>building, structure</b> or part thereof, used for altering, assembling, cultivating, growing, inspecting, processing or producing, medicinal products, and which may use living organisms or parts of living organisms in the manufacturing process and herbal or natural medicines, but shall not include medical marihuana, as defined by <i>Marihuana for Medical Purposes Regulations</i> , SOR/2013-119, as amended. (0055-2015)
<b>Mobile Home</b>	means a <b>detached dwelling</b> that is designed to be made mobile, and constructed or manufactured to provide a permanent residence.
<b>Model Home</b>	means a <b>detached, semi-detached, or street townhouse</b> constructed for the purpose of display and sale of <b>dwelling units</b> to be constructed on <b>lots</b> within a registered plan of subdivision or condominium. (0181-2018/LPAT Order 2019 February 15)
<b>Module</b>	means two groups of three modular <b>lots</b> each divided at the centreline and the projection of the centreline of a <b>street</b> (cul-de-sac) having a minimum width of 10.0 m.
<b>Money Lending Agency</b>	(*see <b>Financial Institution</b> )
<b>Motor Vehicle</b>  <b>Commercial Motor Vehicle</b>	means an automobile, truck, motorcycle or any other vehicle propelled or driven otherwise than by muscular power, excluding a <b>commercial motor vehicle</b> , a streetcar, or other motor vehicles running only upon rails, or a motorized snow vehicle, traction engine, farm tractor, self-propelled implement of husbandry or road-building machine.  means a motor vehicle having attached thereto, a truck or delivery body and may include but is not limited to a catering or canteen truck, bus, cube van, tow truck, tilt and load truck, dump truck, tractor trailer, ambulance, hearse, fire apparatus and tractor, used for hauling purposes. (0325-2008), (0308-2011)
<b>Motor Vehicle Body Repair Facility</b>	means a <b>building, structure</b> or part thereof, where painting and structural changes or repairs are made to the bodies of <b>motor vehicles</b> , or where <b>motor vehicles</b> are taken for appraisal of their damage for insurance adjustment purposes.
<b>Motor Vehicle Body Repair Facility - Commercial Motor Vehicle</b>	means a <b>building, structure</b> or part thereof, where painting and structural changes or repairs are made to the bodies of <b>commercial motor vehicles</b> exceeding 3 000 kg in weight, or where <b>commercial motor vehicles</b> exceeding 3 000 kg in weight are taken for appraisal of their damage for insurance adjustment purposes. (0325-2008)
<b>Motor Vehicle Rental Facility</b>	means a <b>building, structure</b> , outdoor area, or part thereof, for the rental or leasing of new or used <b>motor vehicles</b> , provided there is no on-site repair or cleaning of new or used <b>motor vehicles</b> . (0325-2008), (0308-2011)

TERM	DEFINITION
<b>P</b> continued from previous page	
<b>Porch</b>	means a platform, with or without a foundation and/or <b>basement</b> with at least one side open, that may be covered by a roof or other structural element, with direct access to the ground and is attached to a dwelling. (0297-2013)
<b>Power Generating Facility</b>	means a <b>building</b> or <b>structure</b> or part thereof, used for the production of electrical power, where output is 10 megawatts or greater and where the method of production is limited to natural gas-fired, <b>combined cycle, cogeneration</b> and/or <b>renewable energy</b> . (0325-2008)
<b>Cogeneration Facility</b>	means a <b>building</b> or <b>structure</b> or part thereof, used for the production of electrical power, where the method of production is by means of <b>cogeneration</b> .
<b>Cogeneration</b>	means the production of heat energy and electrical or mechanical power from one fuel source in the same facility.
<b>Combined Cycle</b>	means a generation technology in which electricity is produced from an integrated cycle comprised of one or more gas combustion turbines where steam is generated through the recovery of thermal energy in the exhaust flow of the combustion turbine(s) to power the steam turbine.
<b>Renewable Energy</b>	means the production of electrical power from an energy source that is renewed by natural processes including, but not limited to, wind, water, biomass resource or product, or solar and geothermal energy.
<b>Prayer Room</b>	means an enclosed area where people spend time in contemplation or prayer. (0144-2016)
<b>Principal Residence</b>	means all or part of the <b>dwelling unit</b> where a person lives for the majority of a calendar year. (0131-2018)
<b>Private Club</b>	means a <b>building, structure</b> or part thereof, used for a social, cultural, athletic or recreational club, fraternal organization or community or educational <b>uses</b> , that is not operated for profit. (0379-2009)
<b>Private Road</b>	(*see Road)
<b>Private School</b>	(*see Schools)
<b>Propane Cylinder</b>	means a container designed and manufactured in accordance with a cylinder specification authorized for the containment and transportation of propane under the Transportation of Dangerous Goods (TDG) Regulations of Transport Canada.
<b>Propane Storage Tank</b>	means a class of container for the storage of compressed natural gas/propane, designed and fabricated in accordance with Canadian Standards Association B51 and does not include a <b>propane cylinder</b> .
<b>Prototype Production Facility</b>	means a <b>building, structure</b> or part thereof, for product manufacture limited in scale to that necessary to fully investigate the merits of the product.
<b>Public Authority</b>	means The Corporation of the City of Mississauga, The Regional Municipality of Peel, the Province of Ontario and/or the Government of Canada.
<b>Public School</b>	(*see Schools)

TERM	DEFINITION
<b>Q</b>	
<b>R</b>	
<b>Receiving/ Telecommunication Device</b>	means a device used for reception and transmission of communication signals.
<b>Recreational Establishment</b>	means a <b>building, structure</b> or part thereof, designed and equipped to be used for athletic and leisure activities and may include such facilities as a fitness centre, racquet club, billiard hall, bowling alley, arena, curling rink, indoor facility used for golf, baseball or soccer, indoor playground.
<b>Renewable Energy</b>	(*see <b>Power Generating Facility</b> )
<b>Repair Establishment</b>	means a <b>building, structure</b> or part thereof, used for the installation, repair, servicing and maintenance of goods, and may include accessory retail sale of goods.
<b>Repair Service</b>	means the repair of personal effects, household goods and small appliances, excluding the repair of large household appliances, such as refrigerators, freezers, stoves, dishwashers, clothes washers or dryers, or anything with a combustion engine.
<b>Residence</b>	(*see <b>Staff/Student Residence</b> )
<b>Restaurants:</b>	
<b>Restaurant</b>	means a <b>building, structure</b> or part thereof, that shall not include a drive-through where food is prepared and offered for sale to the public for consumption within the <b>building, structure</b> or part thereof, or off the premises. (0018-2015)
<b>Convenience Restaurant</b>	means a <b>building, structure</b> or part thereof, with an accessory drive-through where food is prepared and offered for sale to the public for consumption within the <b>building, structure</b> or part thereof, or off the premises. (0018-2015)
<b>Take-out Restaurant</b>	means a <b>building, structure</b> or part thereof, that shall not include a drive-through where food, prepared on or off the premises, is offered for sale to the public with consumption of food on or off the premises, and a maximum of six seats shall be permitted. (0018-2015)
<b>Retail Centre</b>	<i>deleted by 0379-2009</i>
<b>Retail Store</b>	means a <b>building, structure</b> or part thereof, in which goods are offered for sale, lease and/or rental to consumers. Where the principal <b>use</b> of the retail store is the sale of food, food may be prepared on the premises and offered for sale for consumption on the premises or off the premises, as an <b>accessory use</b> . (0325-2008), (0297-2013)
<b>Road:</b>	
<b>Condominium Road</b>	means a private right-of-way over private property for vehicular travel which provides access to <b>buildings</b> and/or <b>dwelling units</b> on the same property, is not maintained by a public body, and is measured from the inside edges of each curb. (0181-2018/LPAT Order 2019 February 15)
<b>Private Road</b>	means a private right-of-way over private property, that affords access to <b>lots</b> abutting a private road and is not maintained by a public body.
