

DUNDAS STREET RETAINING WALLS PROJECT AT TWO LOCATIONS

Erindale Park Entrance to Credit River & Robinson Street to Dundas Crescent

Construction scheduled to commence: On or after June 17, 2024

Construction scheduled to be completed: On or before July 31, 2025

Project Overview

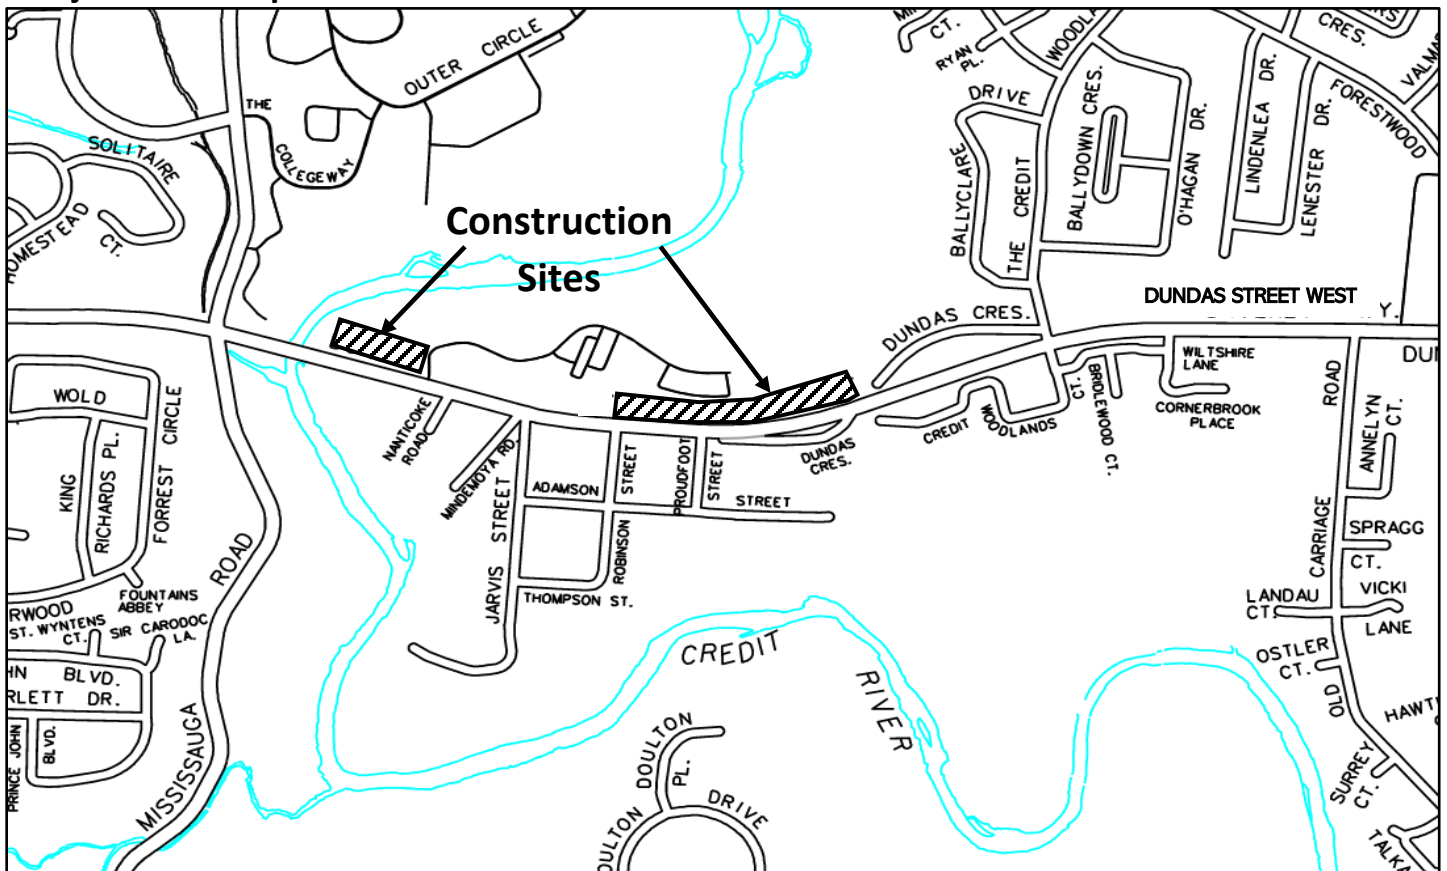

The City of Mississauga will be constructing new retaining walls to support a multi-use trail at the north side of Dundas Street West at the following locations:

- (1) between Erindale Park Entrance and the Credit River, and
- (2) between Robinson Street and Dundas Crescent.

Please note, shifting of vehicle lanes will be required between The Credit Woodlands and Mississauga Road to maintain two westbound lanes and two eastbound lanes on Dundas Street West during construction. The middle turning lane will become unavailable throughout construction. The left turning lane at Credit Woodlands and Mississauga Road will be maintained. Please reduce speed and follow the traffic signage.

The successful contractor for this project is Rafat General Contractor Inc. The project is part of the Council-approved 2024 Capital Works Program.

Project Area Map

Work Details

The City Contractor's work entails the following:

- Conduct a pre-construction structural survey at selected buildings. A City Representative will contact property owners directly to make an appointment for the survey.
- Relocation of streetlighting poles and protection of existing utilities.
- Implementation of erosion and sediment control measures.
- Clearing and removal of tree stumps, shrubs, and existing sidewalks.
- Installation of temporary shoring system and auger caissons.
- Excavation and backfilling earthworks.
- Installation of new retaining walls and multi-use trails.
- Planting of trees and shrubs to restore the landscaping.

What to Expect During Construction

Impact/ Safety	Dust, noise and other inconveniences may be experienced. The City will make every effort to reduce these impacts. We appreciate your patience and cooperation. Access for emergency vehicles will be maintained.	
Work Hours	Work will occur between 7:00 am and 7:00 pm Monday to Friday . Saturday work will only occur if required.	
Parking	On street parking is prohibited on Dundas Street West.	
Traffic and Pedestrians	ROADS	Shifting of vehicle lanes will be required between The Credit Woodlands and Mississauga Road to maintain two westbound lanes and two eastbound lanes on Dundas Street West during construction. The middle turning lane will become unavailable throughout construction. The left turning lane at The Credit Woodlands and Mississauga Road will be maintained. Please reduce speed and follow the traffic signage. Access to Erindale Park from Dundas Street West will remain open throughout the duration of construction.
	SIDEWALKS	The north sidewalk will remain to be closed between Erindale Park Entrance and the Credit River, and between Robinson Street and Dundas Crescent. Please use the south sidewalk.
Transit Service	The following MiWay transit stop will be closed during construction: <ul style="list-style-type: none"> • Bus Stop #1101 (located west of The Credit Woodlands) • Bus Stop #1102 (located east of entrance of Erindale Park) Please visit the MiWay website for updates: https://www.mississauga.ca/miway-transit/announcements/ Please direct your inquiries to: miway.infrastructure@mississauga.ca	
Utility Disruptions	Temporary disruptions to utilities, i.e. gas, hydro, water, cable, telecommunications may be experienced nearby the construction work area. Every effort will be made to promptly restore services.	
Driveways Access	Access to driveways near the work area will not be impacted during construction. Patrons will be able to access nearby businesses at all times.
